

# HEALTHY DOG WORKSHOP PET FOOD SELECTION WORKSHEET

Use this worksheet in conjunction with the Healthy Dog Workshop Pet Food Selection Guide to research foods you are considering for your pet.

Record the responses to your questions from food companies below.

1. Are the ingredients human quality/fit for human consumption? Where are ingredients sourced from?

---

---

---

---

2. Did a qualified nutritionist formulate your foods?

---

3. Are your foods formulated to meet AAFCO\*, NRC\*\*, or FEDIAF\*\*\* nutritional standards? If not, are they clearly labelled as such?

---

---

---

---

4. Can you provide complete nutrient analysis, by both calculation and laboratory testing?

---

---

---

---

5. Where and by who are the foods made? What are your safety and quality control procedures?

---

---

---

---

6. What level of processing does your food undergo?

---

---

---

---

Other notes or comments about the product:

---

---

---

---

---

---

Would you feed this food to your pet? Yes  No

What changes could the company make that would make the food better?

---

---

---

---

---

---

Did you learn anything about the company or pet nutrition from researching this company?

---

---

---

---

---
